

Guide Install AIOTClient In Your RF Client System

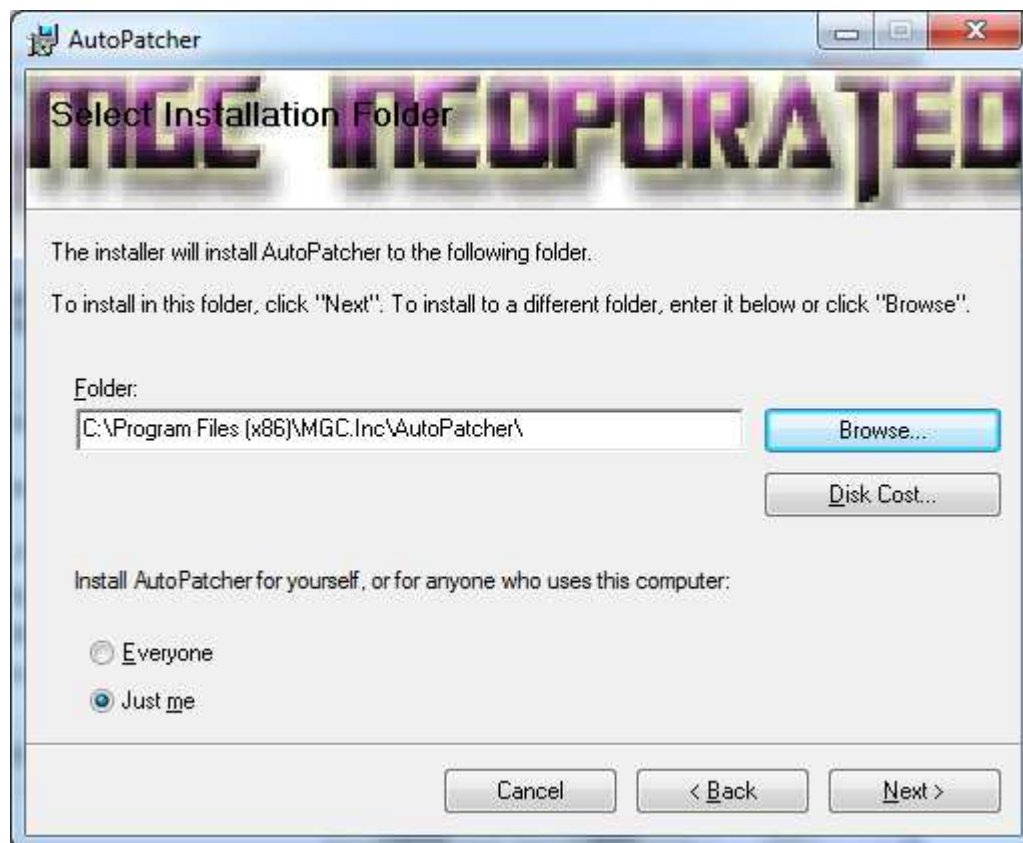

- Open Setup

- Choose Next
- Next Again
- Choose Agree

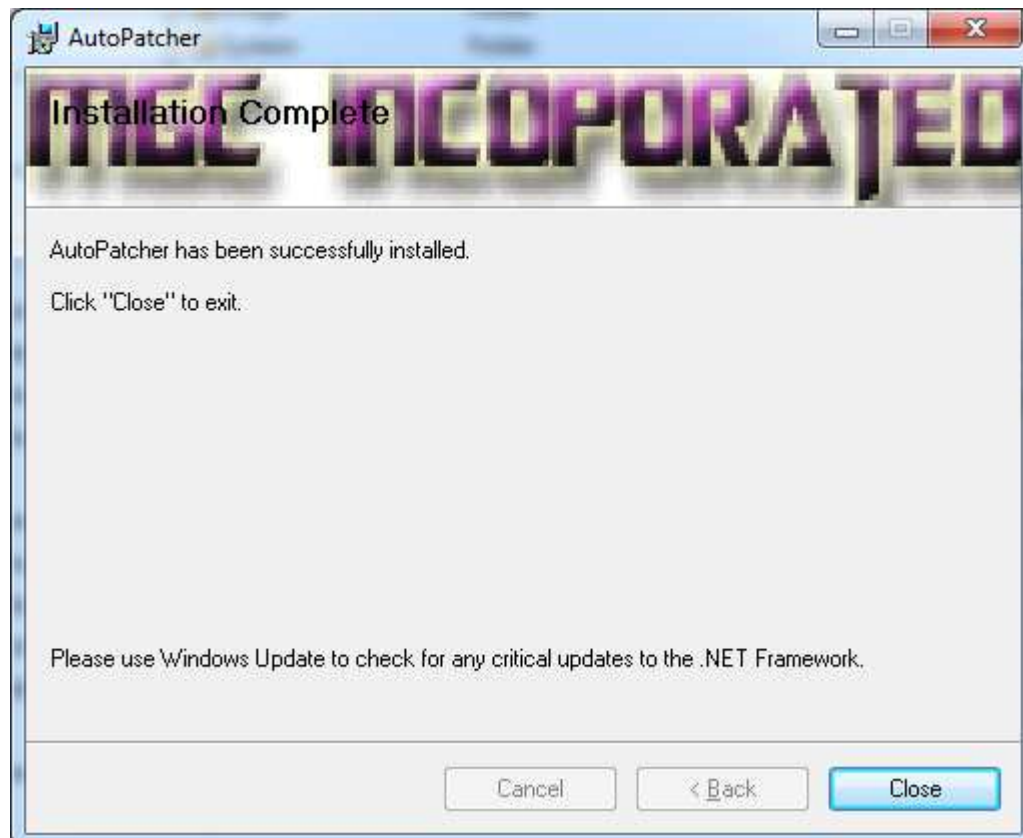

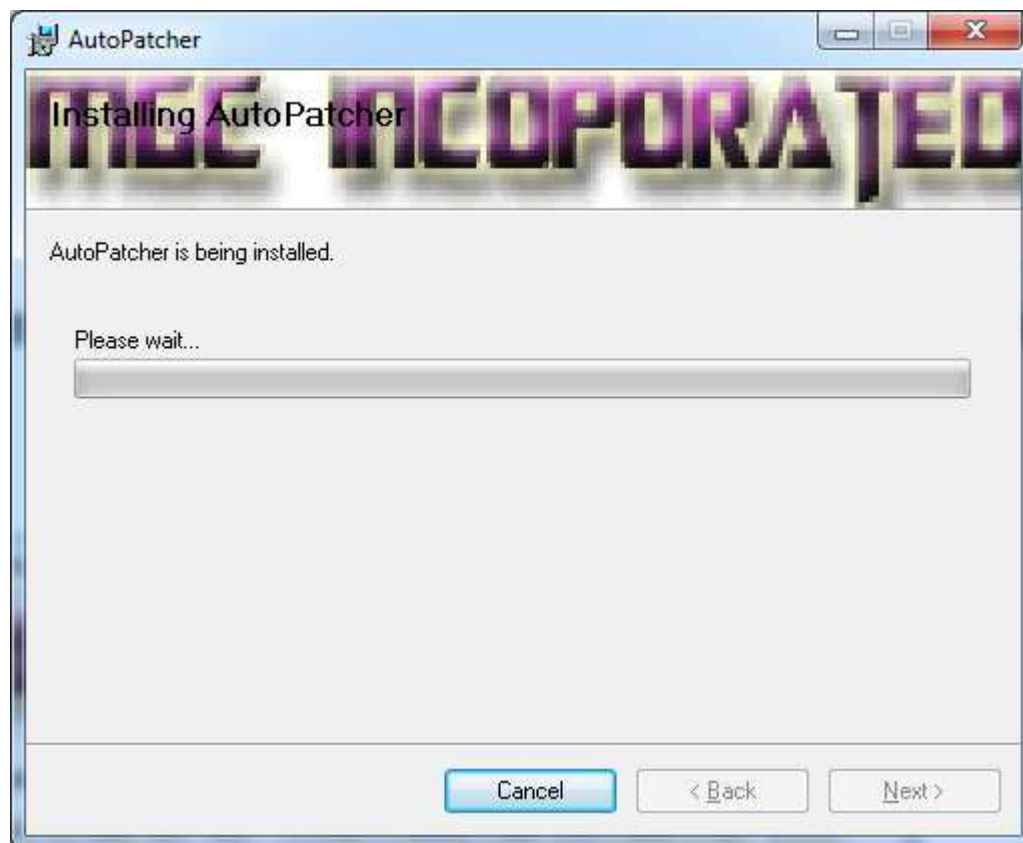

- And next browse data

- Put what you want

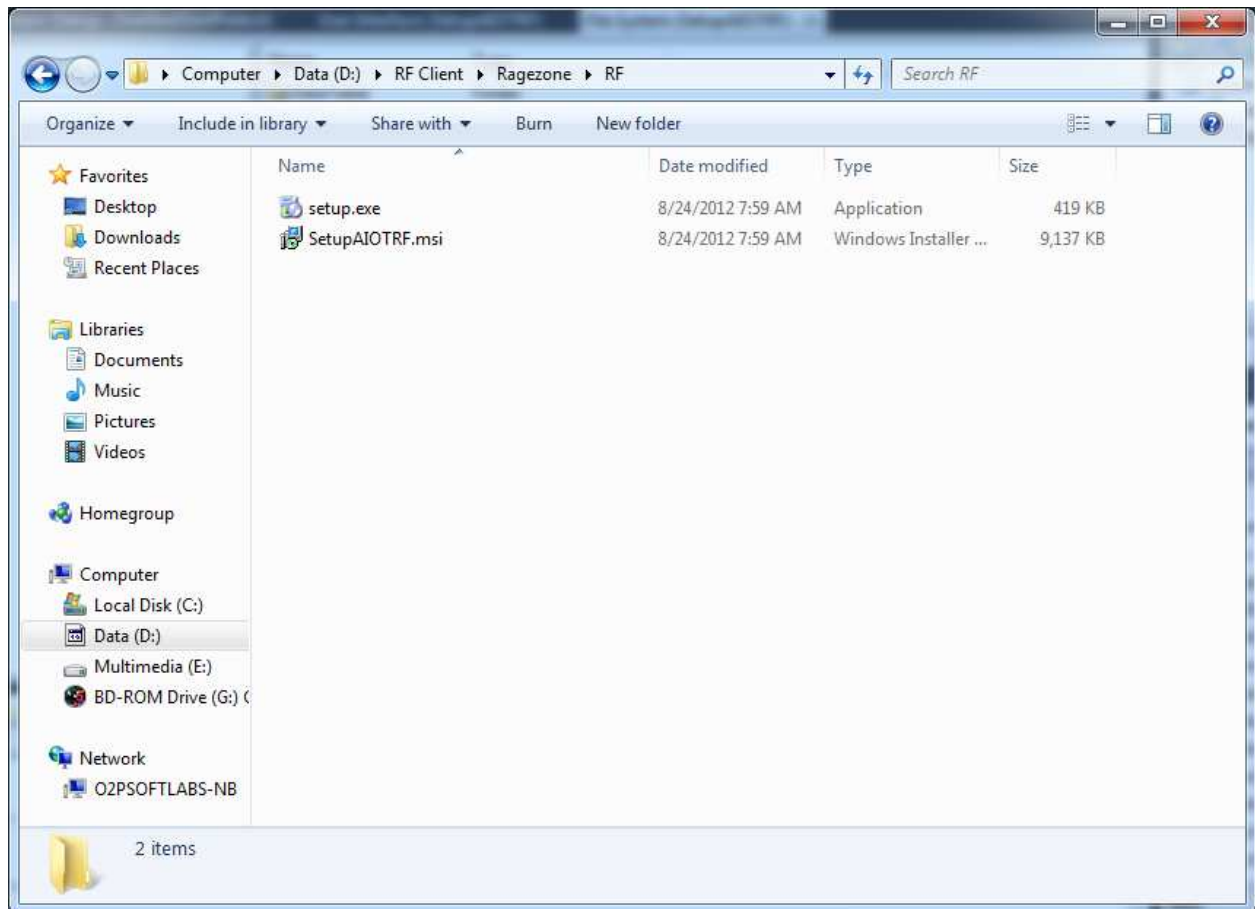

- Next wait install finished

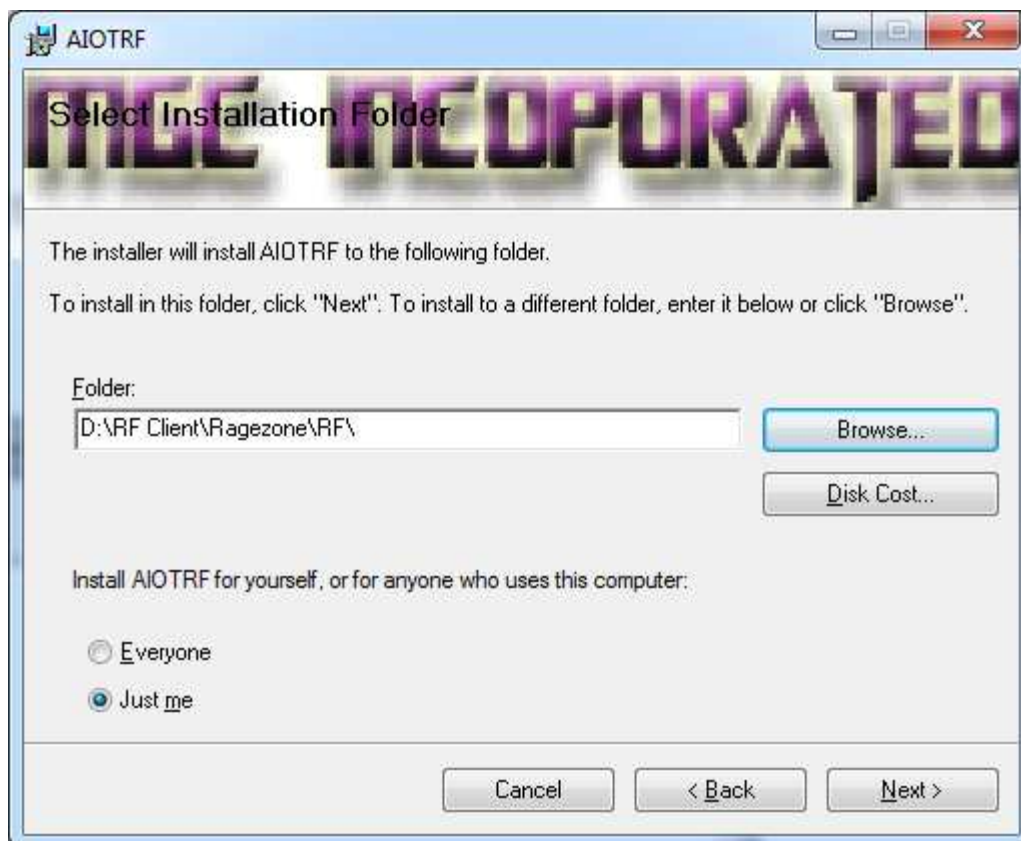

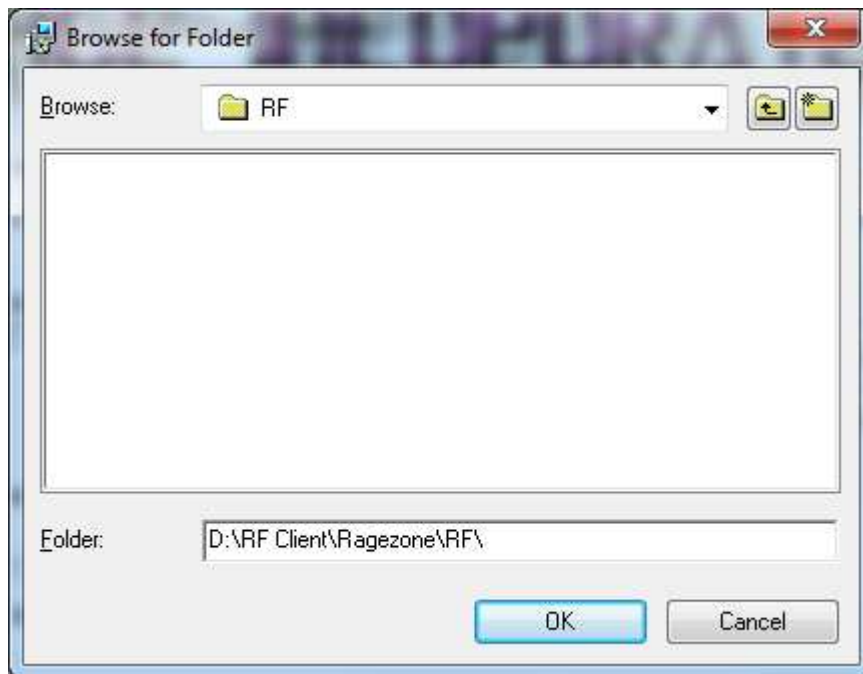

Now Close It

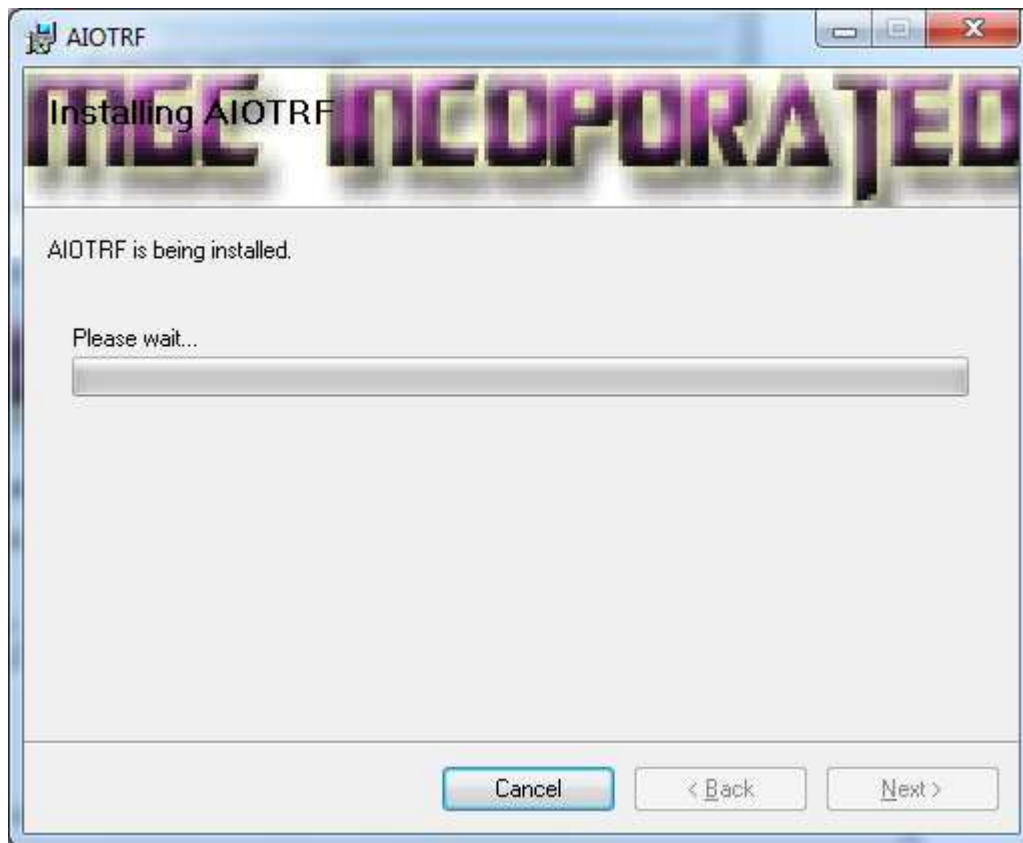

Next Open Folder

- Prepare for RF install same as before but different put data target
- Browse rf folder

- Waiting finished again

- Copy RF to directory RF on System.....:D(drink some coffe) and play easy(no lag)

Regards
